

Manitoba Hydro Bursary

Presented by 38 Signal Regiment Association

2026 Bursary Awards

38 Signal Regiment Association is pleased to announce the recipients of two Manitoba Hydro Bursaries for 2026.

Corporal Carlos Delmar, a serving member of 1 Squadron, 38 Signal Regiment and Kishon-Antonio Sharpe, son of Lt, Antonio Sharpe who serves with 1 Squadron, 38 Signal Regiment have each been presented with \$1500 bursaries that will assist them in pursuing their post-secondary education.

2026 Manitoba Hydro Bursary Recipients:

Kishon-Antonio Sharpe

Kishon-Antonio Sharpe is the son of Lieutenant Kurt-Antonio Sharpe, a serving member of 38 Signal Regiment.

Kishon-Antonio graduated in June from John Taylor Collegiate with a High School Diploma, and an Honours Certificate in Academics, with a grade average of 80%. He has balanced his studies with a strong commitment to athletics, playing football for his school and spending nine seasons as a goalie with the Winnipeg Jets Hockey Academy.

Beyond academics and sports, Kishon-Antonio has demonstrated a commitment to giving back through volunteer service at school events, amateur hockey activities, as an usher at the Canada Life Centre and volunteering at the Mike Keane Celebrity Classics.

He is pursuing a Bachelor of Science in Psychology at the University of Manitoba and securing employment with Canadian Forces Morale and Welfare Services (CFMWS) to help cover his education expenses.

The 38 Signal Regiment Association and Manitoba Hydro congratulate Kishon-Antonio Sharpe on receiving the Manitoba Hydro Bursary and wish him well in his educational and work efforts.

Corporal Carlos Delmar

Corporal (Cpl) Carlos Delmar is a Signal Operator serving with the 38 Signal Regiment who is also pursuing a career as a fire paramedic. He has been accepted by the Manitoba Emergency Service College (MESC) and will start his fire paramedic training in October 2026.

Cpl Delmar has deployed as a Section 2IC on Operation LENTUS, supported Exercise SURE SHOT 2025 at Camp Ripley, Minnesota, helped mentor new recruits as they prepare for basic training and participated in Exercise WESTERN SABER in 2026.

Beyond military service, Cpl Delmar has demonstrated a commitment to giving back through volunteered service. Although not required training, he volunteered time to support the 2024 children's "touch a truck" event and participated in the Indigenous reconciliation gathering at CFB Winnipeg.

When trained as a fire paramedic, he will respond to emergency calls to rescue and protect life. The diploma will enhance leadership and critical thinking skills within a high-risk environment directly contributing to his skills as a member of the Canadian Army.

The 38 Signal Regiment Association and Manitoba Hydro congratulate Cpl Delmar on receiving the Manitoba Hydro Bursary and wish him well in his training as a fire paramedic and future military service.

About 38 Signal Regiment Association

[38 Signal Regiment Association](#) is a not-for-profit membership organization open to current and former serving ranks of the Canadian Army's [38 Signal Regiment](#) along with associates and friends of the Regiment. The mission of the Association is to support 38 Signal Regiment by promoting an ongoing relationship between its members and the Regiment.

The Association seeks to support the Regiment through fundraising for educational and other benevolent purposes, and to that end has developed an educational bursary program to assist serving members of the Regiment and their immediate family members with the cost of post-secondary education. For the 2025-26 academic year, the Association is proud to offer two Manitoba Hydro sponsored bursaries of \$1,500 each.

About Manitoba Hydro

[Manitoba Hydro](#) is a provincial Crown corporation that provides electricity and natural gas to customers in Manitoba. It is one of the leading energy utilities in Canada and a low-cost provider of electricity, generating nearly all its power from renewable hydroelectricity. In addition to serving Manitoba, it exports electricity to wholesale markets in Canada and the mid-western United States and has a subsidiary, Manitoba Hydro International, that offers services internationally.

Manitoba Hydro is a strong supporter of the Canadian Armed Forces. In addition to employing a number of Reservists in its operations and having excellent military leave

policies, Manitoba Hydro has been recognized as a supportive employer of Reservists by the [With Glowing Hearts](#) program.
